Mr. A. Searle Field
Staff Director
Select Committee on Intelligence
House of Representatives
Washington, D.C. 20515

Dear Mr. Field:

In response to Ms. Sheketoff's letter of 5 January 1976, the Agency has been unable to find any evidence that a list of newsmen having a relationship with CIA was prepared for the Nixon White House by General Walters in the 1972-73 period. The Inspector General's office, the DDO, Mr. Theurmer, and General Walters himself all have no evidence or recollection that any such list was prepared or transmitted.

Sincerely,

Donald P. Gregg
